## THE NEWSLETTER OF BEACON RISE PRIMARY SCHOOL

Number: 3

Date: November 2007

### Aid Ukraine

The Aid Ukraine appeal was very well supported this year with 96 boxes being collected. Thank you again to all who gave so generously to this very worth while cause.

### Beacon Mount

The beacon on Beacon Mount will be re-instated on Thursday evening, with the new light being switched on by Richard Anguin of BBC news. As you will know, the site is of significant relevance to the local history of the area as it was the point from which John Wesley preached to the local miners before becoming internationally known.

### Shooting Star

As part of FBR fund raising during the beginning of November the children had a chance to bring in silver coins and build a silver star on the Frome hall. We are pleased to say that £102.15 was raised. Well done to everyone who took part in helping us shoot our silver star.

### Road Safety

Following an incident at the weekend in which one of our pupils was seriously injured we would like to remind all our pupils to take care when crossing roads. Always look for a safe place to cross and stop, look and listen for any traffic. If you see a Road Crossing Patrol (Lolly-pop Person) always wait for them to help you cross the road.

### New Website

After months of planning and development, we are pleased to announce that the new Beacon Rise website is now available for your use. We aim to use the site to provide information and to share our achievements with

pupils, parents and the wider community. The site will include current news updates, images of children's work, photographs of school events and much, much more.

The site address is
