

BEACON RISE PRIMARY SCHOOL
EMPLOYEE WHISTLE BLOWING POLICY
For Staff Employed in Locally Managed Schools

This policy sets out the process for protected disclosures of information where employees and other workers/suppliers/volunteers have reasonable belief that there is serious malpractice.

This applies to all council employees and other workers, including temporary and agency staff, trainers, volunteers, consultants, contractors and councillors. Also to all volunteers and employees of organisations who work in partnership with the council.

Suppliers should raise any issues with the Client Officer, or if not appropriate, the council's Head of HR.

This policy will be made available to all of the above.

Members of the public should pursue complaints about services through the council's complaints procedure.

The policy will be subject to a formal review on a two-yearly basis by the Head of HR.

1. Introduction

1. The council's Code of Conduct makes it clear employees are expected to raise serious concerns they have regarding aspects of work, practices which affect the integrity of the council, the safety of its employees or the general public. The council equally encourages those working with us who may not be employees, to come forward and raise concerns of this nature.
2. Allegations should only be raised under this policy if there is reasonable belief the disclosure is in the public interest. 'Public interest' means anything affecting the rights, health, or finances of the public at large.
3. The council promotes a culture of openness, but recognises that 'blowing the whistle' can be difficult, particularly concerns about the possibility of victimisation. Such fears are understandable; this policy provides advice about the protections offered by the Public Interest Disclosure Act (PIDA). The Act protects workers from detrimental treatment or victimisation if, in the public interest, they blow the whistle.
4. Whistle-blowers are encouraged to include their name when making an allegation. Anonymous allegations will be investigated but are less powerful and more difficult to act on.
5. This policy is not a substitute for other council policies regarding matters such as personal grievances, bullying and harassment, health and safety, safeguarding issues (children and/or adults) or complaints. It should not be used to raise issues relating to employee's terms and conditions of service.

2. Scope

This policy applies to:

- all council employees and
- other workers, including freelance staff, temporary and agency staff, trainers,
- volunteers, consultants,
- contractors and councillors
- teachers and employees in schools.

The council recognises in the case of school based employees, many decision-making responsibilities lie with the governing body. It is expected that the governing body will be committed to support the council's approach to cases of whistle-blowing set out in this policy.

3. What can be raised as whistle blowing

The law protects individuals who make particular disclosures known as 'protected disclosures' against dismissal or any detriment.

You are protected by law if you blow the whistle regarding any of the following:

- A criminal offence, e.g. fraud
- Health and safety risks where someone could be in danger
- Risk or harm to the environment
- Miscarriages of justice
- The organisation is breaking the law
- You believe serious wrongdoing is being covered up

Some examples of the above are:

- Use of unsafe equipment or unsafe working methods
- Employment of illegal immigrants
- Concealing a chemical spillage
- Financial irregularities including fraud, corruption or unauthorised use of public funds,
- False returns to HMRC;
- Bribery
- Sexual, racial, physical or other abuse of service users;
- Other causes of malpractice, negligent, unprofessional or unethical behaviour;
- The conduct of contractors and/or suppliers to the council;
- Concealment of any of the above.

The following are not considered to be whistle-blowing – so the protection and this policy do not apply:

- Personal grievances (e.g. bullying and harassment, discrimination) – these are not covered by the whistleblowing legislation unless there is an impact on the public interest. If it's unclear which policy to raise an issue under please contact HR Casework & Change for advice.
- Conduct issues (e.g. a colleague is abusing the flexi time system)
- Complaint for example poor service

- Misappropriation e.g. poor financial practice that is unlikely to affect the public interest. Refer to auditfraud@southglos.gov.uk

4. Procedure

1. How to 'blow the whistle'

- 1.1 Initially raise the concerns with your line manager or Head Teacher. Alternatively:
- the Chair of the Governing Body or South Gloucestershire Councils Head of HR

1.2 It should be clear that the concern/allegation is being raised under the Whistle Blowing policy. Complaints, grievances or safeguarding concerns about adults/children issues should be raised under those specific procedures and by contacting the council's Local Authority Designated Manager (LADO) for children's or the adult safeguarding team.

1.3 All whistle-blowing cases must be registered immediately by the manager/Head Teacher with the Head of HR. In cases of financial irregularity e.g. fraud, corruption or unauthorised use of public funds, the Head of HR will contact the councils Audit Manager.

2.2. The Head of HR will inform the school if the case should be considered by for example the Director of Children's Adults and Health (CAH) or the Chief Executive, rather than the Governing body.

3. Response

- 3.1 The Head of HR or governing body will write to the complainant within 10 working days of the concern being raised to acknowledge receipt and explain what will

happen next.

3.2 Depending on the nature of the allegation, arrangements will be made for the matter to be:

- Investigated internally by departmental management, Internal Audit or a senior
 - manager from another department, and/or:

4. Investigation

4.1 If necessary an investigation will be carried out to discover the facts/any evidence to support the allegation or otherwise.

4.2 Within 20 working days of the allegation being made the investigating officer will inform the person raising the concern what action is being taken and likely timescales. Feedback will be provided on an agreed and regular basis.

5. Support

5.1 An individual will be identified to provide support and information to the whistle blower throughout the investigation and any subsequent developments.

5.2 If appropriate employees being investigated will be provided with support from a contact/liaison officer.

6. The Outcome

6.1 Following the investigation the governing body will:

- Determine as soon as possible whether any temporary arrangements made to

support the investigation e.g. suspension, can be ceased;

- Determine whether or not there is a case to answer based on the facts provided within the investigation report;
- If applicable, arrange a formal hearing to which the employee will be invited.

6.2 Subject to any legal constraints, the council will inform the whistle-blower of the outcome of the investigation e.g. evidence was found to support the allegation/or not.

6.3 If the whistle-blower, is dissatisfied with the outcome, they should write to the council's Chief Executive outlining their concerns.

7. External disclosures

7.1 Normally before making an external disclosure the internal whistle-blowing procedure will have been followed.

- External Auditor;
- Health & Safety Executive;
